The screenshot shows a software window titled "Event Supervision" with a menu bar containing "Main", "Sensors", "Administration", "Mail", "Demo", and "Help". Below the menu bar is a search bar and the "wespot" logo. The main area has a tabbed interface with "Event List" selected. The "Event List" tab displays a list of surveillance alarms, each starting with "200: Surveillance Alarm:" followed by a timestamp. To the right of the list are filter controls: "Show Only:" with a "Sensors:" dropdown set to "All", an "Event Types:" dropdown set to "All", a "Starting:" date field set to "2003-03-18", and an "Ending:" date field set to "2003-04-17". At the bottom right are three buttons: "Update List", "Update Sensors", and "Show All".

Event List	Sensor Settings	PC Settings	Event History	Snapshot
200: Surveillance Alarm: 2003-04-09 09:48:00				
200: Surveillance Alarm: 2003-04-09 09:47:38				
200: Surveillance Alarm: 2003-04-09 09:47:13				
200: Surveillance Alarm: 2003-04-09 09:46:54				
200: Surveillance Alarm: 2003-04-09 09:46:33				
200: Surveillance Alarm: 2003-04-09 09:45:10				
200: Surveillance Alarm: 2003-04-05 14:41:09				
200: Surveillance Alarm: 2003-04-04 15:01:43				
200: Surveillance Alarm: 2003-04-04 15:01:32				
200: Surveillance Alarm: 2003-04-04 14:23:58				
200: Surveillance Alarm: 2003-04-04 14:21:03
